Registration Fee: per person, per conference/workshop (aidable)

REGISTRATION FEE (example only, fee may vary by event): **\$250**

Member District Discounted registration fee: \$200

Your district immediately saves \$50 per person in program budget costs!

MEMBERSHIP FEE = \$500 (per district)

After sending just 10 people to any of the five Annual Conferences (see below, mix & match), the registration fee discounts have “covered” the membership fee and additional savings begin.

Office Professionals Para-Educators Safety & Security Facilities Personnel Food Service Personnel

SAVE LATER with BOCES AID*:

Let's say... your member district sends 10 people to a conference. The original cost = \$2,000.

Your aid reimbursement = \$1,520
(\$2,000 x 76%**)

WHICH MEANS...

Your Adjusted Registration Fee = \$48 per person

***BOCES AID** is like a rebate. Your district pays the full registration fee when invoiced and files for a “rebate” with the NYS Department of Education.

****Your district's aid ratio may be more (or less).** This example uses a regional average aid ratio to show the impact it can have on the state aid reimbursement your district receives.
